All major lubricants blenders for Auto and Industrial fluids

The current trend of Lubes and Fuels in The Japanese Oil company

1. Shirado Chemical has enjoyed dyes business with all oil company.
2. Actually, Shirado Chemical now has confidence to achieve 60-70% share in Japanese dyes market for Gasoline and Lubricants.
3. In addition, they have obtained the business of greases, explosive and resins by using powder type dyes, because all the applications do not been formulated with solvents.
4. Shirado's color dye annual sales
For fuels: 200MT in 2020
For Lubricants and others: 80MT in 2020
